## THE LLW REPORT MARCH 2023

Paul the apostle said, "What then is Apollos? What is Paul? Servants through whom you believed, as the Lord assigned to each. I planted, Apollos watered, but God gave the growth" 1 Cor. 3:5-6 (ESV). What a picture of serving together with God and with friends. ***Please read and pray with us as we continue to serve together and watch the Lord strengthen and grow His body.***

### MEET FRIENDS FROM LA\*S

Since 2010, one of our L3C staff Mr. Lihkai has connected with brothers and sisters from La\*s and has supervised many working through the L3C program. Lihkai has been visiting them in their La\*s villages, however, he has not been able to teach more due to limitations.

So, he has worked out a way to meet with them in person near the golden triangle for two nights and two days for training and encouragement.

It is a time of questions and answers for L3C materials and teaching the gospel of the kingdom so they can see the big picture of the Bible's message .

They are eager to learn the word of God for themselves and to share with their people. Some of the men had asked if they could join the BLT program at Mae Pun Luang Learning Center. ***They are praying that God will provide a way that one day they can join the BLT training in the near future.***

They want to have this meeting near the golden triangle every three months, so that they can learn more and better understand the Bible to help equip their people. ***We are praying that God will provide the funds needed to cover costs for travel, lodging and food to continue having these meetings at the border from time to time.***

### **L3C GRADUATION IN MYANM\*R**

Mr. Lishaw and Aung sein have been serving together with us in Myanm\*r through many years of difficulties and limitations. Nevertheless, God has empowered them to be faithful and keep serving many churches in the country.

There are 68 young and old people who finished the L3C program and were able to graduate in March. These students are from very remote areas in Myanmar where there is no access to good communication. However, they can still learn the word of God, growing daily in the knowledge of God, living for Christ faithfully.

This is more valuable than having much silver and gold. **Please pray for additional financial support for Mr. Lishaw and Aung sein as they continue to share the L3C resources with more people whom they know and love.**

### OCTOBER SEMINAR

We are planning to host a Servant Leadership Seminar by Jonathan Martin on October 17-20, 2023 at the Mae Pun Luang Learning Center. ***Please pray for us as we make plans for the seminar, visit church leaders to extend invitations, prepare teaching materials, and organize food and lodging for guests.*** Many were blessed by the teaching of Mr. Martin on servant leadership in February 2023 and challenged them to align their churches with a more Biblical model of leading. Although the well-accepted style of leadership in the Lahu churches may be very hard to change, with God's help all things are possible (Mark 10:27).
