THE LLW REPORT FOR JUNE 2023

Apostle Paul courage to young servant Timothy that, "Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth." 2 Timothy 2:15 (ESV). It is a great message to us to rightly handle the word of truth in our days, our ministries so that we can stand and serve Him. Praise God we can train some untrain local Christian leaders in our neighbors' country.

L3C Printing

After L3C being delivered to many people, many years and it's running out. We pray and asked God provide fund for printing a half year.

God answered our pray through the cornerstone foundation and we are able to print about one thousand lesson books and one thousand exam books.

This is a great provision for Lahu believers who need to learn the word of truth and it will provide their spiritual maturity.

5 L3C Students

Mr. Lihkai had a good connection with Lahu people in Laos and many local evangelist, pastor and leader who joint the L3C. But their reading and writing skills are very low and they need a help to understand the L3C text. They asked Lihkai to come and meet them monthly base to go through all those lessons. We are able to meet at a Church in golden tricycle and meet every other month for 3 days and two nights.

Our first meeting was on 30 June to 1 July, 2023. Lihkai and Suphot, Rob and me had make our way and met them. Lihkai and Suphot had led them L3C No.1 and No 2. The five students of L3C, some of them are pastor and evangelist but, their skill of reading and writing are very low, so they need more time to go over those lessons. But, they are very patient and learned well.

Mr. Rob, taught the gospel kingdom for 6 hours and it was clearly explained the whole message of gospel. We are so thankful to God for this great opportunity to train them. These students are very poor and we need to provide travel, food and lodging. The whole meeting is cost around \$400.

Please do pray for us, we do it by faith in God and He will provide from time to time. Lihkai said that there are 3 new students who want to join this training in next meeting.
